

**Summary Meeting Notes
Lake Tahoe Sustainability Collaborative
Community Mobility Work Group
Meeting March 24, 2015 @ TRPA**

Attending: David Reichel, Rebecca Bryson, Karen Fink, Gianna Laveni, Steve Teshara; Chris Carney

Tahoe ATP Progress and Survey

Karen Fink reported on behalf of Morgan Beryl. Tahoe Region Bicycle and Pedestrian Plan now being called Active Transportation Plan (ATP). Good participation so far on survey (over 200) at <http://tahoempo.org/ATPsurvey>

Please encourage people you know and in your networks to participate.

Two Tahoe ATP “Community Gatherings” coming up:

- Tuesday, April 14, 5:30 to 7:30 p.m. at the South Tahoe Public Library, 1000 Rufus Allen Blvd.
- Thursday, April 16, 5:30 to 7:30 p.m., at Kings Beach Elementary School, 8125 Steelhead Avenue.

Snacks and childcare will be provided at each of these events.

Spring Meeting of Lake Tahoe Bikeway Partnership

Karen asked for input on timing of meeting and agenda items. Suggestions to hold in mid-April and use as workshop/discussion/base data sharing for California ATP grant applications.

Status Report - Middle School Area Connectivity Plan (STMS)

Steve, Karen and Rebecca provided a summary overview of the Community Mobility Workshop held yesterday at LTCC (sponsored by the South Shore TMA). STMS has identified the “Al Tahoe Boulevard Project” as the alternative for further engineering & design (30%) and environmental analysis. Emerging from workshop - City staff participating agreed to consider recommending to Planning Commission and City Council that the City serve as lead agency for the project. The STMS Project Development Team (PDT) has a number of tasks to accomplish to ensure opportunity for consideration. California Tahoe Conservancy staff participating indicated CTC will likely serve as its own lead agency for next segment(s) of the South Shore Greenway. Tahoe Transportation District will be focusing on ATP application for the SR 89/Fanny Bridge project (balance of state matching funds).
