AGENDA

- [Noon – 12:05] **Introductions and Agenda Additions - All**
- [12:05 – 12:30] **ATP Grant Applications Updates – Steve, Sue Rae & Gavin**
 - a. Middle School application – Update on School Board Meeting, Next steps with city; status of applications; next steps
 - City of SLT will ask council next Tuesday the 5th to see if they will be the lead on the ATP grant. City pulled it off consent so it will be a full agenda item. Have some concerns about reducing 5 lanes to 3. Need to sell the project to the council to get their support.

- The CM group has done almost all of the work and been looking for funding and is working with the community and this is the exact type of process and involvement the City should be looking for.
- **AI: Need CM group/bike coalition/community members to come speak in favor. PLEASE ATTEND!!**
- **AI: Gavin to work with Karen F to develop talking points for topics and recommend people.**
- **AI: Gavin to send out request for letters or in-person support to all who attended public workshops.**

- b. Greenway – Update on public meetings; Status of Application; next steps, letters of support
 - Application is being a lot of work, more than expected. Narrative parts have not been too bad, it's the attachments that are so much work.
 - **AI: Chris (CTC) will send their checklist of things to do to group.**
- c. Other applications?
- [12:30-12:40] **Caltrans Update – Gavin**
 - d. Caltrans update on highway 50 improvements (flyer attached)
 - Have fixed and will fix bad stretches between
 - City/Caltrans joint project of Class I from Ski Run to El dorado beach – section from CVS to beach has been planned for years, city said they would do it last year, now saying they will do it this year, but having problems with a couple of property owners.
 1. EI: After June Rebecca
 - NDOT through casinos – follow up on
 1. AI: Tim Rowe after June to ask again
